This report is provided per PREA Standard § 115.387 Data Collection*

**2015 – 2020**

The Arizona Department of Juvenile Corrections (ADJC) is committed to creating a safe environment and protecting juveniles against sexual victimization. ADJC has zero tolerance for sexual contact of any kind with juveniles, including sexual conduct, assault, and/or harassment, by juveniles, staff, contractors, volunteers or others. Our efforts include effective, reliable offender grievance systems, comprehensive prevention and awareness training for staff and juveniles on preventing and reporting sexual abuse and sexual harassment, and extensive quality assurance reviews and vulnerability assessments. ADJC also screens juveniles to identify potential victims and perpetrators, ensures services are provided for the victims of such abuse, educates employees and juveniles, and assesses potential environmental factors.

ADJC follows the child abuse reporting requirements in accordance with Arizona Revised Statutes (A.R.S.) § 13-3620, and is committed to the safety and security of every juvenile in its care. Every allegation that a juvenile has been physically, sexually, or emotionally abused while in ADJC custody is thoroughly investigated. These allegations can come to the attention of ADJC investigators in a variety of ways: report by a juvenile, juvenile grievance, report by a parent or guardian, report by an employee, or through Project Zero Tolerance, which provides additional reporting mechanisms for parents, guardians, and members of the public.
